MEDIA RELEASE
ACC SEIZES LUSAMBO'S VEHICLE

The Anti-Corruption Commission has seized a motor vehicle belonging to former Lusaka Province Minister Bowman Lusambo.

The seizure comes in the wake of investigations that the Commission is conducting against Lusambo, on allegations of possession of property suspected to be proceeds of crime. The motor vehicle seized is an unregistered Range Rover.

Investigations in this matter are ongoing.

Lusambo is also currently facing a number of cases in the Courts of Law relating to possession of property suspected to be proceeds of crime.
